

7/22 Wyndham Street HERSTON QLD

3  2  1 

Designed with space and greenery in mind, this contemporary townhome awaits its new owners. From the moment you step inside, you will be impressed with the size and the outdoor space available. With nothing more to do you can simply fall in love with the inner city lifestyle. It is certainly the complete package.

The air conditioned, open plan design flows seamlessly out to a green outdoor living space, oh so quiet and private. The main living area and dining area offers gleaming hardwood floors with expansive meals area.

The kitchen is contemporary and perfectly designed, complete with stone bench tops, dishwasher, electric cooktop and oven and breakfast bench. Both the kitchen and eatery areas look out to your private outdoor entertaining space.
